

Environmental Code of Conduct for boat owners

- I will not throw garbage into the sea or along the coast
- I will not release toilet water/bilge in the marina, in the vicinity of coastal waters and sensitive areas
- I will not release poisonous or toxic waste (oil, paint, used batteries, cleaning agents, etc.) in the sea. I will deliver these types of waste to the containers in the marina
- I will promote and use recycling facilities (batteries, oil, etc.)
- I will use the most environmentally friendly products among paints, anti-fouling, paint remover, detergents, etc, that are available and work efficiently.
- I will instantly report pollution or other violation of environmental regulations to the authorities
- I will not use forbidden fishing practices and I will respect periods when fishing is prohibited
- I will protect animals and plants in the sea, including no disturbance of breeding birds or other marine mammals.
- I will respect vulnerable and nature protected areas (Petersen's Cay)
- I will avoid damage of the sea bottom, e.g. in the way that I anchor upon coral reefs, etc.
- I will avoid disturbing endangered fish species
- I will not buy or use objects made from protected species or from archaeological underwater findings
- I will encourage other marine users also to take care of the environment
